

2022 NCAR ASP Graduate Visitor Program application

This form is for graduate students to apply to the NCAR ASP Graduate Visitor Program

The graduate student fills out this form, in addition it is required that the NCAR host submits a host agreement. It is the student's responsibility to arrange for a host and work with them to have the host agreement submitted by the deadline.

The deadline to submit this application and the host agreement is November 10, 2021.

Awards are made for calendar year 2022. Visits need to start in 2022 but can extend into 2023.

* Required

1. Email *

17. Proposed start date of your visit *

Example: January 7, 2019

18. Proposed end date of your visit *

Example: January 7, 2019

Financial portion

19. Please confirm that your salary and benefits during your visit to NCAR will be covered by your home institution: *

Check all that apply.

Yes

Other: _____

20. Would you prefer a virtual visit or in person? (Currently less than 50% of the staff are working at our campuses at any given time and we cannot project the status for 2022 at this time.) *

Mark only one oval.

Virtual

In person

21. In light of the current global pandemic, ASP reserves the right to move in-person visits to virtual at any time. If visits are moved online, in lieu of a living allowance, participants will receive a \$500 per month honorarium for their participation payable at the end of their virtual visit once a final report has been submitted. *

Mark only one oval.

By clicking the check box, I understand I will be required to complete the report at the end of my visit.

Information regarding your Thesis/Project Advisor

22. Thesis/project advisor last (family) name *

23. Thesis/project advisor first name *

24. Thesis/project advisor email address *

25. Will your thesis/project advisor visit you during your stay at NCAR? *

Mark only one oval.

Yes

No *Skip to question 27*

Maybe

Length of advisor's visit to NCAR

One-week maximum.

26. Proposed length of adviser's visit in days. *

Application Questions

27. How will this visit contribute to your thesis or final project? (please limit your response to 500 words) *

28. Please describe the broader impacts of your research. Broader impacts may be accomplished through your research itself, through the activities that are directly related to your research, or through activities that are complementary to your research. The National Science Foundation and NCAR value the advancement of scientific knowledge and activities that contribute to the achievement of societally relevant outcomes. Such outcomes include, but are not limited to: broadening participation in STEM; improved STEM education; increased public scientific literacy; improved well-being of individuals in society; increased partnerships between academia and industry; and improved national security. For more information, see: (<https://www.nsf.gov/od/oia/special/broaderimpacts/>), (max. 500 words). *

29. During your stay at NCAR, please indicate which other opportunities you would be interested in: *

Check all that apply.

- Professional development.
- Outreach opportunities.
- Seminars & scientific talks.
- None of these activities interest me.

Other: _____

30. Have you visited NCAR before or participated in any of our internships or workshops? Please provide details: *
